Raccoons Year 4	Use capital letters, full stops and finger spaces.	Use wondrous words for description.	Use interesting sentence openers and connectives.

Children in year 2 upwards should join their handwriting please.

A priority for us as a school this year is writing. As with reading, your support at home is vital in helping your child to progress. To that end, we will be sending out a weekly writing homework. This will be the same for all children across the school to access at their own level.

We will share an image and we would like the children to write what they see, think and wonder. Please encourage your child to produce their neatest handwriting and remember capital letters and full stops - we have noticed that lots of the children are forgetting these basics. Regular short practice of these elements will help them to apply this in their class work.

The super sentence homework will be sent out every Friday, to be returned by the following Thursday. We will celebrate the children's successes in celebration assembly on Fridays.

Thank you for your support, if you have any questions please ask your child's teacher.
