

# Handy Tongs

EYFS Area: **Physical**

Learning Goal: **Moving and Handling**

1. **Find** different coloured LEGO blocks, two bowls and some tongs.

2. **Explain** to your child that you are going to move the bricks from one bowl to another, without using hands, and without dropping any on the floor!
3. **Demonstrate** using tongs to pick up and move the bricks, and ask your child to do the same
4. **Ask** your child to move all the bricks into the other bowl, and count the bricks together as you go.
